**1000.03. Scope.**

**Subd. 1. Road Crews.** The provisions of this chapter shall not apply to persons, motor vehicles, and other equipment while engaged in work upon the roadway of a highway, but shall apply to such persons and vehicles when traveling to or from such work.

**Subd. 2. Non-motorized Vehicles.** Every person riding a bicycle or an animal or driving any animal drawing a vehicle upon a roadway shall be subject to the provisions of this chapter applicable to the driver of a vehicle, except those provisions which by their nature can have no application.

**Subd. 3. Emergency Vehicles.** This chapter shall not apply to Police Officers, Fire Department, Rescue or Emergency vehicles in the legal performance of their duties.

**1000.04. Speed.**

**Subd. 1. General.** No person shall drive a vehicle within the City at a speed greater than shall be reasonable and prudent under the conditions and having regard to the actual and potential hazards then existing. In every event speed shall be so restricted as may be necessary to avoid colliding with any person, vehicle, or other conveyance on or entering the highway, in compliance with legal requirements and the duty of all persons to use due care.

**Subd. 2. Maximum Speed.** The maximum speed on streets not otherwise designated and posted by the local department shall be thirty (30) miles per hour, unless otherwise authorized. Any speed more than the maximum speed shall be unlawful.

**Subd. 3. Reduced Speeds.** The driver of any vehicle shall, consistent with requirements, drive with an appropriate reduced speed when approaching and crossing an intersection or railroad

grade crossing, approaching and going around a curve, when approaching a hillcrest, when traveling upon any narrow or winding roadway, and when special hazard exists with respect to pedestrians, other traffic, weather or highway conditions.

**1000.05. Parking.**

**Subd. 1. Truck Parking.**

A. The Council may establish by resolution “no truck parking” zones, “loading zones,” or “truck park only” zones in congested or residential districts and shall mark by appropriate signs any zones so established.

B. Except as otherwise provided, no motor vehicle bearing a commercial license and no commercially licensed trailer shall be parked or stored in a residential area between the hours of 6:00 P.M. and 6:00 A.M. except when loading, unloading, or rendering service.

C. If the occupant of the residence is actively engaged in a commercial trucking business, the tractor may be parked in a residential district at the operator's residence provided adequate off-street parking space is available at the residence.

D. Commercial pickups and small automobile type vans may be parked in the same manner as personal automobiles.

**Subd. 2. Limited Time Parking.** The Police Department may, subject to the approval of the Council, designate limited time parking zones and shall mark by appropriate signs any zones so established. The zones shall be established on streets or congested districts wherever necessary for the convenience of the public for purposes of snow removal, to minimize traffic hazards and to preserve free flow of traffic. No person shall park any vehicle in any limited parking zone so established for a longer period than specified on the signs marking the zone.

**Subd. 3.
