## PERMITS – GENERAL OVERVIEW

### PERMITS MAY NOT BE REQUIRED FOR ITEMS SUCH AS\*:

Residing (unless you alter the sheathing), Repaving (unless you repave approach), Window replacement (unless you change size or add windows), Shingling (unless you change physical aspects of the roof), Repairs, Maintenance or minor alterations that do not change the physical dimensions or shape of any building or structure on land, Garage sales (limit 2 per year), telemarketing, business conducted by phone

\*Please contact City Hall with questions.

### TYPES OF PERMITS THAT NEED TO BE COMPLETE AND REQUIRE FEES:

<b>LAND USE</b>	The purpose of a land use permit is to insure setback requirements, impervious surface requirements, variances, special conditions, signage, and zoning changes are adhered to. <b>Application fee is \$50 and is non-refundable.</b>
<b>BUILDING</b>	The purpose of the building permit is to insure changes to properties follow appropriate building codes and regulations. Building permit fees are determined upon the valuation of the structure changes. This permit most often is in addition to the Land Use Permit. <b>Application fee is based on valuation and determined by the City.</b>

### CONDITIONS PLACED UPON LAND USE PERMITS THAT REQUIRE PUBLIC NOTIFICATIONS AND HEARINGS. THEY REQUIRE ADDITIONAL FEES AND APPLICATIONS:

<b>HOME OCCUPATION</b>	For anyone wishing to operate a home-based business for compensation, which houses inventory, and/or generates additional traffic within the neighborhood. There are some occupations that do not require a permit such as Home Retail Parties (Tupperware, Pampered Chef, Jewelry, etc.), Daycares, telemarketing, computer based businesses that do not have public coming to the home, or businesses that are conducted via phone/e-mail. All Home Occupation permits require a public hearing and must be renewed every three (3) years. A pre-application for home occupation permits is required before completing the full Home Use Application. <b>Application fee is \$100.</b> <b>Renewal fee is \$30 / 3 years.</b>
<b>CONDITIONAL USE</b>	These permits generally are designed for a specific use of the property as it relates to the zoning district in which the property is located. They may be allowed with specific restrictions set by the City. Additional charges apply. They require a public notification and hearing according to Minnesota Statutes. <b>Application fee is \$250 plus Lake County Filing Fees.</b>
<b>VARIANCE</b>	These permits generally are designed for a modification or variation from the provisions of the zoning district in which a property is located. They are typically granted when there are reasons of exceptional circumstances unique to the property which would cause a hardship. Additional charges apply. They require a public notification and hearing according to Minnesota Statutes. The variance is also filed with Lake County. <b>Application fee is \$250 plus Lake County Filing Fees.</b>
<b>ZONING CHANGES</b>	Anyone requesting a property zone change must complete the Land Use Application. No "spot zoning" is allowed. Additional charges apply. They require a public notification and hearing according to Minnesota Statutes. The zoning changes are also filed with Lake County. <b>Application fee is \$250 plus Lake County Filing Fees.</b>
<b>PLATTING/SUBDIVISION</b>	These are separate from the permit process.

**Permits that require a public hearing must be submitted sixty (60) days prior to the start of the project. All other permit applications should be submitted to the City of Silver Bay at least two (2) weeks prior to the start of the project.**
