Physical Demands

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform essential functions.

While performing the duties of this job, the employee is frequently required to use hands to handle, feel, or operate objects or vehicles, reach with hands and arms, walk, sit, and talk or

hear. Specific vision abilities include distant and close vision, color vision, and the ability to adjust focus. The employee is occasionally required to climb or balance, stoop, kneel, crouch or crawl. The employee must frequently lift and/or move up to 25 pounds and occasionally lift weights up to 100 pounds.

Work Environment

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee works both indoors and outdoors in all weather conditions, occasionally works near moving parts, works on ice, and works in crowded public areas.

Selection Guidelines

Formal application, rating of education and experience, oral interview, and reference check.

The duties listed above are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.

The job description does not constitute an employment agreement between the employer and employee and is subject to change by the employer as the needs of the employer and requirements of the job change.

Council Approval Date: 03-18-19
