### PARKS & RECREATION DEPARTMENT POLICY

The Silver Bay Parks & Recreation Department has adopted a policy for handling disputes and problems within its programs. When you encounter a problem within a Silver Bay Recreation program, please take this course of action:

1. **DO NOT** confront the problem in front of the children participating in the program.
2. Contact Mike Guzzo (Parks & Recreation Director), 226-4214, and arrange a meeting in his office to correct the problem.
3. If the problem hasn't been corrected by the Parks & Recreation Director, bring the problem to the monthly meeting of the Parks and Recreation Board.

If these steps are followed, most problems that occur in our program can be corrected. We invite constructive comments to assist us in improving our program.
