

Little MARINERS Childcare

Get ready for a summer full of fun at LMCC! We have space available in all age groups! Learning doesn't stop at the end of the school year. We continue to follow our Parent Aware approved curriculum all summer long and enjoy doing most of our lessons and activities outdoors. Please call the number below for scheduling and availability.

Registration is now open for the 2022-2023 school year. We have openings for children 6 weeks to 3 years old.

Did you know...

- We supply all diapers, food, and formula!
- We accept CCAPI!
- We are working toward earning our Parent Aware Rating!

Call the number below to schedule a tour!

SHORING UP THE BUSINESS

SILVER BAY, MINNESOTA

WHAT IS “SHORING UP THE BUSINESS?”

- Group of business owners and stakeholders, community leaders and anyone interested in improving the business climate in the Silver Bay Area
- Less formal Chamber of Commerce
- Formed in 2018 as a small, local group
- Meetings every 2-3 months at various business locations with lunch provided (Northshore Mining, William Kelley School, North Shore Area Partners)
- Participants share updates and issues they are having with the goal to create synergies and solutions to problems
- Direct links to city leaders to get projects moving through various boards and council faster

CHALLENGES

- Lack of participation from key business leaders
- Lack of trades people in area to get projects done
- Small tax base in Silver Bay
- Longer project timelines – participant frustration?

SUCCESSSES

- Daycare
 - Huge need communicated by local businesses
 - School District, IRRRB, Northshore Mining, City of Silver Bay all partner to make it happen within 2 years.
- North Shore Area Partners building
- Development of city welcome packet
- Community housing projects
 - Not enough housing for workers in area
- Homecoming party with local businesses supporting
- Job fair
