Sam Miltich and the Clearwater Hot Club play jazz — traditional American jazz, gypsy jazz, Latin jazz, hot jazz — the kind of jazz that swings, sings and dances between the ears. Born and raised in the Minnesota northwoods, Miltich is an acoustic guitar wizard who fell in love with legendary French jazzman Django Reinhardt at age 15. Since then Miltich has delivered his sweet sound solo, in duos and through hot club collectives across the country and on seven full-length albums. Clearwater Hot Club includes father Matthew Miltich on standup bass, guitarist Briand Morrison and drummer Jay Epstein.

## Sam Miltich and The Clearwater Hot Club kick off 2021 Silver Bay Music in the Park Concert Series

Rocky Wall Productions is pleased to announce that Grand Rapids, MN based Sam Miltich and the Clearwater Hot Club will kick off the 2021 Silver Bay Music In The Park Concert Series on Friday, August 13<sup>th</sup> at City Center Park in downtown Silver Bay (near Silver Bay City Hall) with a FREE outdoor concert. The music will start promptly at 7 pm.

The Clearwater Hot Club is a dedicated to serving the repertoire and instrumentation of the Jazz Manouche style pioneered by Roma guitarist Django Reinhardt. Much of the repertoire played in this group are songs either performed or written by Django Reinhardt, though other styles of music such as French Musette, Brazilian choro, and Eastern European folk music are interpreted through the musical lens and technique of the Jazz Manouche style. In recent years Sam Miltich has written original works of music in the jazz manouche style, giving credence to the roots and traditions of the music while giving a fresh new voice to it.

The instrumentation typically consists of either a Macaferri style-acoustic (a uniquely constructed French style guitar employed by Django Reinhardt) or arch-top lead guitar, acoustic rhythm guitar, lead violin or clarinet, and on some occasion's saxophone, and drums. The group typically plays with an all-

acoustic string ensemble, of guitar, violin, upright bass. When clarinet is a featured instrument, the group may also incorporate drums into the ensemble, much like what was known as Django Reinhardt's "Hot Club of France Quintet" during the 1940's when he used clarinet in the group emulating the sounds coming from Benny Goodman in America, while his musical companion, violinist, Stephane Grappelli were separated during World War II.

Sam Miltich is a self-taught jazz guitarist born and raised in the woods of northern Minnesota. Sam burst on the scene in his teens as a young lion of gypsy jazz, joining Peter Mehling's Hot Club of San Francisco and touring internationally with the world-renowned Robin Nolan Trio. Sam's fluid and instinctive sound has graced hundreds of stages, from small town bars on the Iron Range to Lincoln Center.

Rocky Wall Productions was formed in June and has hit the ground running. The 2021 SILVER BAY MUSIC IN THE PARK CONCERT SERIES is sponsored by a general grant from Lovin' Lake County and assistance from Best of the North Shore.

In 2007, Monroe Crossing was inducted into the Minnesota Music Hall of Fame. They have twice been selected to showcase at the annual World of Bluegrass convention hosted by the International Bluegrass Music Association (IBMA) and they have appeared twice at Carnegie Hall in New York City. In 2016, Monroe Crossing had the honor of being the first Minnesota bluegrass band to perform in South Korea.

Monroe Crossing has recorded

17 CDs to date. The band's discography consists of: traditional & original bluegrass, three bluegrass gospel recordings, a tribute to Bill Monroe, a collection of Classic Country, two Christmas recordings, and two collaborations with the award winning choir Vocal Essence.

Whether playing traditional bluegrass, original bluegrass or some surprising songs outside the bluegrass genre, Monroe Crossing is one of the most entertaining acts

## Courtney Yasmineh Band - Red Roses and Cowgirl Dreams Tour Descends on Silver Bay

Rocky Wall Productions is pleased to announce that the Courtney Yasmineh Band Red Roses and Cowgirl Dreams Tour will be performing a FREE live concert on Friday, September 24, at 7:00 pm in Silver Bay's City Center Park near City Hall. Authenticity and character in her some 60 years into the fray getting harder to see and are challenging to believe. But you can see and hear — and believe both — about the artist Courtney Yasmineh. Whether it's her cogent body of work over 40 albums, or in her bewildering back story that continues to form Yasmineh's convincing amalgam of alternative rock, folk, pop and soul. It's a deep, resonant well she urgently draws from, filled with hard reflection, vital honesty, bittersweet inspiration, brief flights of sexual fantasy and blistering romance, and gracing graces. Live onstage, she's witty, smart and somehow simultaneously shy and brazen. Imagined Yasmineh Musically as Lucinda Williams, Sheryl Crow, Liz Phair, Alanis Morissette. Songwriter Courtney Yasmineh has capitalized on a truly mythic, true backstory. Leaving Chicago at seventeen to live alone in a deserted cabin on Lake Vermilion in the north woods of Minnesota through a long cold winter, missing over the recordings of five countryman Bob Dylan, graduating from Tower-Soudan High School, and attending Macalester College, she emerged from those experiences as an ex-

traordinary songwriter in her own right, hellbent on taking her guitar and her songs out on the open road.

"I am thrilled and grateful to be invited up for such a special Music In The Park Concert in Silver Bay," said Courtney Yasmineh. "I'll be playing as a trio with Rob Genadek and Chad Mittag, we are all very psyched for the show."

Yasmineh is an accomplished songwriter, independent touring and recording artist, and published author. She has fourteen European tours under her belt and many more forays across America, including many appearances in her adopted home state of Minnesota. She has released eight albums, mostly made in Minneapolis, with Grammy-nominated producer/engineer Rob Genadek. She has written one novel that tells the tale of her life journey, has been a successful mother with three grown children, and a lifetime that speaks through a unique voice in stories and songs. Fifty years a songwriter. A woman of substance.

Rocky Wall Productions President Nelson French has known Yasmineh for more than 60 years. "We had neighboring cabins on Birch Point, Lake Vermilion, and spent many summers together with our siblings and others enjoying all that Lake Vermilion had to offer," said French, "it was a simple twist of fate that we reconnected later in life through our respective love of music. It is very heartwarming to have the Courtney Yasmineh Band share

Courtney Yasmineh performing live in concert, Silver Bay Music in the Park Concert Series, Friday, September 24<sup>th</sup>, 7:00 p.m.

their music with us in Silver Bay."

Yasmineh and her band will feature the live roll out of much of her new work from her eighth album Red Roses and Cowgirl Dreams.

Baptism Barbecue and Timber Coffee Company will be available before and during the concert. Bring a blanket (or two) and a lawn chair and come on down to enjoy the show.

Rocky Wall Productions is a Silver Bay nonprofit organization focused on producing and promoting live music events in Silver Bay and on Lake Superior North Shore. The SILVER BAY MUSIC IN THE PARK CONCERT SERIES is sponsored by generous grant from Lovin' Lake County and assistance from Board of the North Shore.

## Scarlet Rivera and The Fredy Argir Band Rolling in to Silver Bay like thunder from LA and SW Texas

Rocky Wall Productions is thrilled to bring Grammy nominated American musician Scarlet Rivera and Hibbing native and Austin, TX based Fredy Argir to perform a FREE live concert on Friday, October 1st at 7:00 pm in William Kellogg High School's Auditorium.

"Get ready for some amazing music from the very talented Scarlet Rivera and Fredy Argir Band," said Rocky Wall Productions President Nelson French, "This will be the first time these two performers share the same stage - and we can't wait to see what the chemistry produces."

Grammy nominated American musician Scarlet Rivera burned a hole in the fabric of rock history as a pioneer of electric violin. From a classical background she bent the accepted norms by experimenting with all genres of music from Rock fusion and Jazz to Latin polyrhythms. She was a revolutionary from the start.

Bob Dylan was the first to discover and acknowledge Scarlet, infusing her as an integral part of the legendary album 'Desire' and Rolling Thunder Revue tour. Dylan recognized the genius of Scarlet's vision as a violinist who played much like a lead guitarist. Scarlet's dynamic presence led the way to the inclusion of other string players in Rock music. 'Desire' was chosen by Time Magazine as one of the top

five albums of Dylan's career and was Scarlet's debut on the world stage.

As the first female member of Dylan's band Scarlet was featured on four additional multi-platinum albums. She is known for her contributions to countless recordings and performances with the most influential artists of our time. Her abilities are wide ranging and have enjoyed the spotlight in music's most hallowed Carnegie Hall, with The Duke Ellington Orchestra as well as The Kennedy Center and the Carnival of Venice, Italy. Her current Grammy nominated vocal debut, 'All of Me', has been spotlighted with stellar reviews around the world.

Scarlet continues her journey of expression and creativity having performed with such treasured legends as Indigo Girls, Tracy Chapman, Eric Andersen, Keb Mo, Peter Maffay, David Johansen and Sylvia Tyson of 'Ian and Sylvia',

and five time Grammy winner Cindy Cashdollar. She has most recently been performing with Brandi Carlisle and has performed for her good friend Joni Mitchell.

Get ready for Scarlet and her violin to carry you to a different world.

Fredy Argir was born and raised in Hibbing, Minnesota, and for most of his life he has lived in and worked out of Austin, Texas.

When he got out of school he traveled for decades, wrote folk songs and toured on the college coffee-house circuit. Fredy lived and worked in New York, San Francisco, Austin, and Northern Minnesota and drifted around for many years as a solo performer and had a few bands.

By his own reckoning, Argir has cut twenty-five albums and released a dozen of them. Several of his recordings, including Thistleweed from the 1970's and One-Man Dancing from 2001, surface in in-

teresting ways every often. Argir's music cording career spans from his first album 'Not Yet Home' in 1968, the latest 'Southwest' due out later this year 2021.

In a 2011 review of 'Last Time Around' album, Duluth music critic John Ziegler had the following observation about Fredy, "Fredy Argir's music is like battered leather jacks that's seen miles under the sun, wind and rain."

It's wrinkled, creased and discolored in places and it's just got that character than an unworn, unshiny new one doesn't have... (0) comes from the school; of art whose vocal qualities don't center on impressing an audience with huge range and a palette of pre-timbres. He belongs in the same record bin at the mom-and-pop record shop as Tom Waits, L. Reed and Warren Zevon. It ain't pretty, but it's got balls and is loaded with depth and emotion.

Rocky Wall Productions is a Silver Bay nonprofit organization focused on producing and promoting live music events in Silver Bay and on Lake Superior's North Shore.
