Representative Roger Skraba, who represents your city at the state legislature, has been selected as a League of Minnesota Cities Legislator of Distinction for 2024. The League's Board of Directors recognized a total of 25 legislators this year, including 16 House members and 9 Senate members, for their actions and leadership on a wide variety of legislative issues of importance to cities across our state. **The enclosed letter describes the specific reasons your legislator was chosen for this recognition.** A copy of this letter, and printed certificate, has been sent to your legislator as well.

Please share this recognition with your city council and the public at your next council meeting. We also encourage you to share this information with your local newspaper. Publicly acknowledging legislators for their support of city-friendly legislation helps to continue strengthening the partnership between state and local government officials in Minnesota.

Dear Representative Skraba,

---

On behalf of the League's 839 member cities, I want to thank you for your efforts this past legislative session and to recognize you as a League of Minnesota Cities 2024 Legislator of Distinction.

League staff and member city officials appreciate your accessibility and your consultation with us on legislation impacting cities. Specifically, the League appreciates you regularly checking in with League staff to identify and understand city perspectives. You made yourself readily available to discuss concerns, consistently worked to get those issues addressed, and supported efforts to craft workable legislative solutions, often drawing on your own experience as a city official to advocate for local decision making authority. League staff appreciates your work on behalf of cities and look forward to working with you in the future on issues impacting local units of government.

Our members know that to be successful in serving our common constituents, state and city officials must work together as partners to reach solutions that meet the unique needs of rural, suburban, and urban communities across Minnesota. City leaders also understand that without the support of legislative leaders like you, this state-local partnership would not be possible.

To acknowledge your contributions last session, mayors of each city in your legislative district will receive notification of your recognition. A press release will also be issued to media in your area. City officials and League staff look forward to continuing to work with you in the future.

Sincerely,

A handwritten signature in cursive script that reads "Justin Miller".
