

## **POSITION OPENING**

### **WATER/WASTEWATER OPERATOR**

The City of Silver Bay is accepting applications for the position of Water and Wastewater Operator within the City Public Utilities Department. This position operates and maintains water and wastewater treatment plant facilities and related distribution and collection systems, cooperates with and assists other departments as necessary and required. Desired minimum qualifications include being able to obtain a valid minimum Class "D" certification for water and wastewater within 24 months and be physically able to perform strenuous work. This is a full-time union position with competitive wages, benefits, and retirement. The 2025 pay rate is \$26.50 - \$33.12/hour, depending upon qualifications and experience, with full pay rate achievable within one year for those with a Class "D" License. Probationary wages would be extended until a Class "D" license was achieved up to 24 months. Applications and full job description are available upon request at City Hall, 7 Davis Drive, Silver Bay, MN 55614 or at [www.silverbay.com](http://www.silverbay.com). Required city applications with original signature must be returned to the City Administrator by 4:00pm on June 30<sup>th</sup>, 2025; however, applications will continue to be accepted until position is filled. Resumes and cover letters are considered a supplement to the required city application. EEOE/AA
